Weed Nemesis

SHOWPLACE LAWNS are kept beautiful and permanently free of ugly weeds with an easy-to-use liquefied petroleum gas weed burner. Instead of "invisible" LP-Gas flame kills the most hardy weeds in moments—without injuring grass. Because the flame is focused in a tiny area, handy LP-Gas weed burners eliminate the need of treating entire lawns with costly chemical preparations.

Rebels Had 4-6 Record

With the football season wrapped up, Appomattox High School is now readying for the approaching basketball schedule. The first basketball game is set for Friday night of next week, against Dan River High School.

The football season ended with a record of 4 wins and 6 losses. This was not one of the "better years" for A. H. S. in recent seasons, but oft times the ball bounces that way.

The feature of the local football season was the fact that with new and vastly improved facilities, the fans came out and it is obvious that more local people, new local football fans here this year than ever before. Three games went over the 1,200 figure in attendance. The total home schedule brought out well over 7,000 fans.

With the facilities available and with a squad anxious to play football, Coach Gordon Bragg, ending his 13th year as A. H. S. football coach, is hopeful that football has "come to stay" in Appomattox and that many thrilling games will be played next fall.

Pat Thomas stressed the importance of courtesy toward referees and coaches. The program was concluded with a few suggestions from the sponsor. As students and alumni, we should always strive to be better sports. The way we conduct ourselves at activities reflects on our school and community, so remember to be courteous to visiting teams, and support our team as good sports.

Local Drug Store May Be Sold Soon

This newspaper has been informally advised that a business deal here is in process of completion whereby a partnership of Fred Smith and Frank Wooldridge would purchase Spencer Drug Store, from the estate of the late Harold Y. Spencer. The transaction is still in process, but there is a possibility that it might be consumated by December 1.

Dr. Spencer passed away October 10, after a long career as druggist in Appomattox. He purchased the drug store from Dr. Chas. F. James in 1944 after having served with Dr. James for 26 years.

It is understood that if the current transaction is completed, as expected, that the name "Spencer Drug Store" will continue, with Fred Smith and Frank Wooldridge as proprietors. It is also hoped by his many friends that Dr. James will continue with the firm.

Frank Wooldridge began his service with the drug store in 1994. He is a graduate of Appomattox High School, and a highly esteemed citizen of the community.

Fred Smith also graduated from A. H. S. and M. C. V. with B.S. Degree in Pharmacy and won his license as a pharmacist in 1949, and has been serving in that capacity wit Spencer Drug Store since June 1949.

If this transaction is consumated, Appomattox will welcome two of its most outstanding young business men into its enterprise. The management wishes to thank their patrons for their cooperation since the death of Dr. Spencer and they appreciate every consideration extended to them.

Meeting of F. B. L. A.

The F. B. L. A. held its regular meeting Thursday, Nov. 10, in the typing room. The president, Phyllis Thompson, called the meeting to order. The club will sponsor a bake sale, which will be held on December 3. For the program, a very interesting movie was shown.

At Fort Jackson

Fort Jackson, S. C.- Recruit Richard A. Holderman, son of Mr. and Mrs. W. C. Holderman, of Appomattox County, Va., has been assigned to Company D, 1st Batalion, 1st Training Regiment at Fort Jackson, S. C., for eight weeks for Basic Combat Training. He enlisted in the Regular Army at Richmond, Virginia. He will be taught rifle marksmanship under the U. S. Army's Training program.

We are inclined to think that love at first sight is often infatuation at first sight.

Play safe - drive carefully.

Advice is often expensive, one way or the other.

Appomattox is a growing town. Come Monday, November 28, the cry of the auctioneer will ring out as the tobacco markets open for business in Virginia's historic dark-fired tobacco belt.

Farmers are hoping for a good season to order their leaf, so as to "try the market" during the opening week.

Traditionally, the opening of the selling season for one of this area's major crops, is a long-awaited event. Many months of faithful toil are behind the scene of the farmer transporting his harvest to the auction warehouses and waiting to see what the cry of the auctioneer will be when the final bids are in. The selling season will be interspersed with the Christmas holidays, and then will resume in January.

There is every reason to hope that this will be a profitable marketing period, with quality of leaf and prices received being on a par with some of the better years.

NEWS REPORT OF TOWN MAYOR

To The Citizens of
The Town of Appomattox:

The regular monthly meeting of The Town Council was held on Monday, Nov. 21st., at 7:30 P. M., in the Town Office. The regular order of business was transacted.

A very excellent report was presented by Dr. S. R. Lawson, chairman of the Street Committee. This report included a complete listing of all residences and business establishments in town, showing name of street and the number of said location. The Council readily accepted the recommendation, which also included the re-naming of one or two streets. All of the above information will appear in the new telephone directory, which I understand has gone to press. Let me take this opportunity to publicly thank Dr. Lawson, all members of the Street Committee, the Town Manager, W. S. Gills and all other citizens who helped compile this information, so as to complete the report.

Due to today being a holiday, garbage will be taken up tomorrow.

I realize that everyone is busy and that the Thanksgiving holidays will probably be filled for all of us, but let's everybody take a few moments out to thank the Good Lord for all of our blessings and I feel sure that we will enjoy and appreciate more the rewards which we have been blessed with.

Should anyone like to know their correct street number, the Town Manager will be glad to furnish you with same should you call him.

The Council discussed at length the future water needs of Appomattox, and decided to get some bids on the drilling of another well. At the present time the water supply is sufficient, but we do feel that by the spring of 1961 we will need an additional supply of water.

During the next few days, let's everyone try to make a special check on all stoves and furnaces, and try to eliminate any fire hazard that may exist.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

HUNTING SEASON NOW UNDERWAY

Sportsmen found the bag on the light side the opening days of the current general open hunting season. The season opened Monday. Dry weather was the principal excuse, rather than poor marksmanship. A few minutes came in with a turkey, a few quail, and an occasional deer was bagged.

However, better weather conditions prevailed at mid-week, and pointed toward an improvement for the long holiday week-end.

LADIES NIGHT FOR MONROE LODGE

Monroe Lodge No 301, AF&AM, Appomattox, will hold its annual Ladies' Night supper in the form of a covered dish supper at the Masonic Temple at 6:30 P. M. on Saturday, Dec. 3rd.

The perfect Christmas gift: a subscription to this newspaper!
